PRESENTATION LETTER

Sesamee Mexicana S.A. de C.V. We are the exclusive representative in Mexico of foreign companies, which are as well leaders in their own countries, they have carefully been selected in order to offer our clients the best lines of products demanded in Mexico. Sesamee is part of the group The Eastern Company belonging to industrial group hardware situated in the city of Connecticut, USA. We dedicated to import and distribute in México the products made by the represented companies and are determined to not only being recognized in price but also in quality and service. To offer products of excellent quality to competitive prices, offering the best possible service is one of our goals and convictions like integrators for México. Since we are not distributors but filial of the group the eastern company we can offer case of products on hand and the best service in order to reach these goals we have a shipping depot in Avenida de las partidas no.26 M-14 Parque Industrial Lerma, Lerma Mexico, that counts with more than 1500 square meters of materials in stock and offices to provide the orders in the smaller possible time reducing costs and obtaining competitive advantages for all the participants in this business. as well as representative specialized in strategically important points of the Mexican republic like Distrito Federal, Puebla, Guadalajara and Monterrey among others

Atentamente,

Ing. Abraham H. Sancher - Director

&

Lic. Casem Cotne Ramos - National Sales Manager
