

## PRESENTATION LETTER

Sesamee Mexicana S.A. de CV., is part of the Group The Eastern Company that belongs to Industrial Hardware Group with headquarter in Connecticut USA., we are decided to the exclusive importation and distribution of products of companies leaders in their countries such as:

Eberhard: Industrial and Vehicular Hardware  
Stabilus: Gas Springs  
CPT: Light Panels  
Dirak: Modular Hardware Systems  
Penn Elcom: Hardware and fastener solutions.  
Polar: Vehicular Hardware

These brands were chosen very carefully with the only purpose that Sesamee Mexicana fulfill our mission that is being the best Mexican hardware distributor, in that way we could get total satisfaction of our clients, because as soon as Sesamee grows, our clients get success.

That is why our Policy is not just being recognized by price, also by quality and service, offering a big quantity of products, specialized technical assistance sellers in different states of the Mexican Republic (Monterrey, Torreon, Guadalajara, México) who can attend your requirements, also we offer public sale of wholesale and retail in: Calle Sin Nombre Lote 103 y 105 Bodega 13, 14 y 15 Col. Parque Industrial Lerma, Lerma Estado de México CP. 52000, visit our Website: [www.sesamee.com.mx](http://www.sesamee.com.mx), in which you could see the materials and if you need further information we will be able by phone, e-mail, fax etc.

Very Truly Yours,

Ing. Richard E. Luehr  
&
